## Catholic Queries

**Q. On December 8, we celebrate the Feast of the Immaculate Conception. On that day, is it the conception of Mary that we celebrate, or the conception of Jesus?**

A. The Feast of the Immaculate Conception of the Blessed Virgin Mary honors the revealed truth that Mary, apart from all other human beings since the time of Adam and Eve, was conceived free from Original Sin within the womb of her mother. On December 8, 1854, Pope Pius IX defined this doctrine dogmatically within the Apostolic Constitution Ineffabilis Deus. Following are three of the most significant passages that are contained within this extraordinary document.

From the Introduction section: " From the very beginning, and before time began, the eternal Father chose and prepared for his only-begotten Son a Mother in whom the Son of God would become incarnate and from whom, in the blessed fullness of time, he would be born into this world. Above all creatures did God so love her that truly in her was the Father well pleased with singular delight. Therefore, far above all the angels and all the saints so wondrously did God endow her with the abundance of all heavenly gifts poured from the treasury of his divinity that this mother, ever absolutely free of all stain of sin, all fair and perfect, would possess that fullness of holy innocence and sanctity than which, under God, one cannot even imagine anything greater, and which, outside of God, no mind can succeed in comprehending fully."

From the Definition section: "The most Blessed Virgin Mary was, from the first moment of her conception, by a singular grace and privilege of almighty God and by virtue of the merits of Jesus Christ, Savior of the human race, preserved immune from all stain of original sin."

From the Hoped-For Results section: "Let all the children of the Catholic Church, who are so very dear to us, hear these words of ours. With a still more ardent zeal for piety, religion and love, let them continue to venerate, invoke and pray to the most Blessed Virgin Mary, Mother of God, conceived without original sin. Let them fly with utter confidence to this most sweet Mother of mercy and grace in all dangers, difficulties, needs, doubts and fears. Under her guidance, under her patronage, under her kindness and protection, nothing is to be feared; nothing is hopeless. Because, while bearing toward us a truly motherly affection and having in her care the work of our salvation, she is solicitous about the whole human race. And since she has been appointed by God to be the Queen of heaven and earth, and is exalted above all the choirs of angels and saints, and even stands at the right hand of her only-begotten Son, Jesus Christ our Lord, she presents our petitions in a most efficacious manner. What she asks, she obtains. Her pleas can never be unheard."

## Reflection Corner

The very music swells and lifts at the beginning of George Frederick Handel's Messiah as the tenor sings, "Every valley shall be exalted." The staccato of "ev-ry va-al-ley" jumps up the scale as though the music itself is lifting up the valleys making a level path and a smooth highway. Performances of the Messiah abound this time of year in concert halls, churches, and on television. Listen closely, and you may even hear selections punctuate the piped in music of malls and department stores.

What is fascinating is that most people associate one of the most famous selections from the Messiah with Christmas. But the renowned "Hallelujah" chorus is not part of the Christmas section of Messiah. It comes at the end of part two, the section devoted to Christ's passion, death, and (hallelujah!) resurrection. There is a certain wisdom in associating this Easter message with the Advent-Christmas season. It is Christ's resurrection from the dead that is the origin of our faith. And while we prepare to celebrate his birth, what we are ultimately called to do is to be ready for when he comes again.

The prophet's message that "all flesh shall see the salvation of God," is a reminder in this Advent season of where we are really headed. It's likely that we're getting into our cars a little more often these days heading to stores and parties and Christmas events. We hope that the road we travel will be smooth. But the prophet's vision isn't about highway projects. It is about eternal salvation. Maybe when we get behind the wheel each day this month we can just say a little prayer asking God to keep us on the right path.
