Advent Reconciliation Service

The service is scheduled for Saturday, December 5th at 10:00 am. The time before Christmas and the entire Christmas Season is a time of joy. Our preparations are joyful, our gatherings are joyful and the reconciliation service is no different. It is a joyful gathering of assembly to prepare for Christmas. We are joyful for the fact that Jesus has come among us to save us from our sins. Our emphasis is not our sins but our joy and thanksgiving for such unqualified love. When we were sinners God sent His Son. Because we are sinners Jesus suffered and died. We should rejoice, be thankful and celebrate reconciliation because it is a sign of God's love for us.

Feast of the Immaculate Conception

"Immaculate Conception" refers to the conception of Mary, not of Jesus. It expresses the belief that from the first moment of her existence, Mary was free from original sin.

The Feast of the Immaculate Conception of the Blessed Virgin Mary will be celebrated:

Tuesday, December 8th at 9:00 am & 5:15 pm

The Little Blue Book

The Little Blue Book is your companion during the Advent and Christmas Seasons. It travels easily in your pocket, purse, or glove compartment. The goal is to find six minutes of quiet time every day for the next 43 days. You can give more than six minutes if you wish. But the main thing is to pray every day.

The Little Blue Books can be purchased for \$1.00 each and are available in the narthex next to the sacristy. Please deposit your money in the marked collection box next to The Little Blue Books. Thank you!

Eucharistic Adoration - December 4th

The hurriedness of the world we live in allows us no time to sit, think, or pray. The Lord knows this. He wants us to come to Him, talk to Him, be with Him and pray to Him. Take your cares and be close to Him in Eucharistic Adoration on the first Friday of each month. Our next Adoration will begin after the 9:00 am Mass on December 4th and will end with the Benediction at 4:00 pm.

Giving Thanks

In November many of our classes spend time learning about the celebration of the first Thanksgiving and the events leading up to it. The first graders found out that the Pilgrims came to America because they wanted freedom to worship as they chose. Today we are thankful for our Catholic faith and because we know how much God loves us.

We also read Luke 17:11-19, the story of Jesus healing ten men who had leprosy. Only one of those men came back to thank Jesus. We talked about how important it is to thank God for all of the blessings he has given us.

The first graders had a homework assignment asking them to write about some of the blessings they and their families are thankful for. Here are some of the blessings they named: God, family, home, food, health, animals, friends, the world, life and new babies, soldiers, Lego's, school-especially gym class, music and art, sunny days and God's love.

Thank you to the St. Bernadette Parishioners who came forward to volunteer to help out at school. The students and staff want to thank all of the St. Bernadette parishioners for their prayers and support.

Catholic Queries

Q. What is the meaning and significance of the Advent season?

A. The Advent season marks the beginning of the Roman Catholic Church's liturgical year, and recalls the many centuries during which the people of the Old Covenant longingly awaited the coming of the promised Messiah. In fact, the word Advent is derived from the Latin phrase "ad venio," which means "to come to."

This long period of waiting reached its culmination during the ministry of St. John the Baptist. The Catechism of the Catholic Church describes his significance as follows: "St. John the Baptist is the Lord's immediate precursor or forerunner, sent to prepare his way. 'Prophet of the Most High,' John surpasses all the prophets, of whom he is the last. He inaugurates the Gospel, already from his mother's womb welcomes the coming of Christ, and rejoices in being 'the friend of the bridegroom', whom he points out as 'the Lamb of God, who takes away the sin of the world.'" (Paragraph 523)

When John was circumcised eight days after his birth, the Holy Spirit inspired his father Zechariah to speak the following words: "And you, child, will be called prophet of the Most High, for you will go before the Lord to prepare his ways, to give his people knowledge of salvation through the forgiveness of their sins, because of the tender mercy of our God by which the daybreak from on high will visit us to shine on those who sit in darkness and death's shadow, to guide our feet into the path of peace." (Luke 1:76-79)

Given the significance of St. John the Baptist's role in preparing God's people for the coming of His Son, it is no surprise that the Church reflects upon John's life and John's teachings during the season of Advent. By doing so, we are reminded not only of the anticipation by our spiritual ancestors of the Messiah's First Coming, but also our own anticipation of the Messiah's Second Coming.

Paragraph 524 of the Catechism of the Catholic Church beautifully summarizes these two Advent themes in the following words: "When the Church celebrates the liturgy of Advent each year, she makes present this ancient expectancy of the Messiah, for by sharing in the long preparation for the Savior's first coming, the faithful renew their ardent desire for his second coming. By celebrating the precursor's birth and martyrdom, the Church unites herself to his desire: 'He must increase, but I must decrease.'"

This weekly column is presented by the St. Bernadette Parish Adult Enrichment Committee. If you would like to submit a question of your own, please send it via e-mail to dgeenen@sbcglobal.net (subject line: Catholic Queries), or via surface mail to 2208 S. Horizon Drive, Appleton, WI, 54915.

"Be vigilant at all times and pray that you have the strength to escape the tribulations that are imminent and to stand before the Son of Man."

Lk 21:36

Reflection Corner

The Gospel readings provided for the final Sundays of the church year and the beginning of the new one invite us to consider what will happen at the end of time. This Advent in particular, for the first three Sundays, the focus is on justice-God's justice, which is brought to completion when the Lord returns in glory.

In the meantime, we wait, sometimes patiently, and sometimes impatiently, like shoppers ready to take advantage of the first "door-busters" of the season. We could bemoan the lack of religiosity in this run-up to Christmas. Or we could use it to our advantage. It doesn't take much to express our faith this time of year. A cheerful greeting of "Merry Christmas" in the check-out line; a teaching moment with children when passing a store display of manger scenes; including religious emblems in our lawn displays; singing a Christmas carol for meal prayer each night: these are all ways that we can easily express our faith in the midst of the culture. The Gospel commands, "Be vigilant at all times." In our vigilance we can look for ways to express faith at every opportunity.
